Dear Ms. Avery,

I am writing in support of the application for a permit to build Liberty Village of Rochelle, a skilled nursing facility in the city of Rochelle, IL.

I feel that this new skilled nursing facility will be very beneficial to our community, as it will be a wonderful option for people in need of rehabilitation therapy, memory care, and long term care. Many local residents are currently traveling several miles outside of city to receive quality skilled services. This in turn can put an added burden on families and friends of a loved one who travel daily to give encouragement.

I became very aware of this when my Grandmother, Ardith McCaslin, required rehabilitation therapy.

I believe that this project is needed in Rochelle and I hope that you approve the application for this new skilled care facility.

Sincerely,
